SWOBER. *n. f.* [See SWABBER.]

1. A sweeper of the deck.

Cubb'd in a cabin, on a mattress laid,
On a brown george with lousy swabbers fed. *Dryden.*
Four privileged cards that are only incidentally used in betting
at the game of whist.

The clergyman used to play at whist and swabbers: playing
now and then a sober game at whist for pastime, it might be
pardoned; but he could not digest those wicked swabbers. *Swift.*

SWOLLEN. } The participle passive of *swell*.

SWOLN.

Unto his aid the hastily did draw
Her dreadful beast, who, swollen with blood of late,
Came ramping forth with proud presumptuous gait. *F. Q.*

When thus the gather'd forms of wretched love
In my swollen bosom with long war had strove,
At length they broke their bounds: at length their force
Bore down whatever met its stronger courage;

Laid all the civil bonds of manhood waste,
And scatter'd ruin as the torrent past. *Prior.*
Whereas at first we had only three of these principles, their
number is already swollen to five. *Baker on Learning.*

SWOM. The preterite of *swim*.
I swim with the tide, and the water was buoyant under
me. *Dryden.*

TO SWOON. *v. n.* [ayrunan, Saxon.] To suffer a suspension
of thought and sensation; to faint.

So play the foolish throngs with one that swouns;
By which he should revive. *Shakespeare.*
If thou stand'st not 'till the state of hanging, or of some death
more long in spectatorship, and crueler in suffering, behold
now presently, and swim for what's to come upon thee. *Shak.*

We see the great and sudden effect of smells in fetching
men again, when they swoon. *Bacon.*
The most in years swim'd first away for pain;
Then, scarce recover'd, spoke. *Dryden.*

The woman finds it all a trick,
That he could swim when he was sick;
And knows that in that grief he reckon'd
On black-eyed Susan for his second. *Prior.*

There appeared such an ecstasy in his action, that he seemed
ready to swim away in the surpize of joy. *Tatler.*

SWOON. *n. f.* [from the verb.] A lipothymy; a fainting fit.
To SWOOP. *v. a.* [I suppose formed from the found.]

1. To fall at once as a hawk upon his prey.
A fowl in Madagascar, called a ruck, the feathers of whose
wings are twelve paces, can with as much ease swoop up an
elephant as our kites do a mouse. *Wilkins.*

This mould'ring piecemeal in your hands did fall,
And now at last you came to swoop it all. *Dryden.*

2. To prey upon; to catch up.
The physician looks with another eye on the medicinal herb
than the grazing ox, which swoops it in with the common
grass. *Glanv. Scip.*

SWOOP. *n. f.* [from the verb.] Fall of a bird of prey upon his
quarry.

All my pretty ones?
Did you say all? What, all? O hellkite! all!
What, all my pretty chickens and their dam,
At one fell swoop? *Shakespeare. Macbeth.*

The eagle fell into the fox's quarters, and carried away a
whole litter of cubs at a swoop. *L'Estrange.*

TO SWOP. *v. a.* [Of uncertain derivation.] To change; to
exchange one thing for another. A low word.

When I drove a thrust home, he put it by,
And cried, as in derision, spare the stripling;
Oh that insulting word! I would have swoop'd
Youth for old age, and all my life behind,
To have been then a momentary man. *Dryden's Cleomenes.*

SWORD. *n. f.* [sweord, Saxon; *swerd*, Dutch.]

1. A weapon used either in cutting or thrusting; the usual
weapon of fights hand to hand.

Old unhappy traitor, the sword is out
That must destroy thee. *Shakespeare. King Lear.*
Each man took his sword, and slew all the males. *Gen.*
Euryalus is the only peer that is described with a sword,
which he gives to Ulysses to repair his injury. *Brome.*

2. Destruction by war.
The sword without, and terror within. *Dent. xxxii. 25.*

3. Vengeance of justice.
4. Emblem of authority.

This I, her sword bearer, do carry, *Hudibras.*
For civil deed and military.

Unstate his happiness, and be flag'd to th' shew
Against a sword. *Shakespeare.*

SWORFISH. *n. f.* A fish with a long sharp bone issuing from
his head.

A swordfish small him from the rest did funder,
That in his throat him pricking softly under,
His wide abyss him forced forth to spew. *Spenser.*

Malpighi observed the middle of the optic nerve of the
swordfish to be a large membrane, folded, according to its
length, in many doubles, like a fan. *Derham's Physico-Theol.*

Our little fleet was now engag'd so far,
That, like the swordfish in the whale, they fought;
The combat only seem'd a civil war.

'Till through their bowels we our passage wrought. *Dryd.*
SWORDBASS. *n. f.* A kind of fedge; glader. *Ainslie.*
SWORDBOOT. *n. f.* [sword and boot.] Ribbon tied to the
hilt of the sword.

Wigs with wigs, swordsmen with swordsmen strive,
Beaus banish beaus, and coaches coaches drive. *Pope.*

SWORDLAW. *n. f.* Violence; the law by which all is yielded
to the stronger.

So violence
Proceeded, and oppression, and swordlaw,
Through all the plain, and refuge none was found. *Milton.*

SWORDMAN. *n. f.* [sword and man.] Soldier; fighting man.
Worthy fellows, and like to prove most finewy sword-
men. *Shak. All's well that ends well.*

At Lecca's house,
Among your swordmen, where so many associates
Both of thy mischief and thy madness met. *Ben. Jonson.*

Edifex was made lieutenant-general of the army, the darling
of the swordmen. *Clarendon.*

SWORDBLAYER. *n. f.* [sword and play.] Gladiator; fencer;
one who exhibits in public his skill at the weapons by fight-
ing prizes.

These they called swordlayers, and this spectacle a sword-
fight. *Hakewill on Providence.*

SWORE. The preterite of *swear*.
How soon unfaith
What feign'd submission swore. *Milton.*

SWORN. The participle passive of *swear*.
What does else want credit, come to me,
And I'll be sworn 'tis true. *Shakespeare.*

I am sworn brother, sweet,
To grim necessity; and he and I
Will keep a league 'till death. *Shak. Richard II.*

They that are mad against me, are sworn against me. *P.*
He refused not the civil offer of a parafice, though his sworn
enemy; and would eat at the table of those who fought his
ruin. *Calamy's Sermons.*

To shelter innocence,
The nation all elects some patron-knight,
Sworn to be true to love, and slave to fame,
And many a valiant chief enrolls his name. *Granville.*

SWUM. Preterite and participle passive of *swim*.
Air, water, earth,
By fowl, fish, beast, was flown, was walk'd,
Frequent. *Milton's Paradise Lost.*

SWUNG. Preterite and participle passive of *swing*.
Her hand within her hair she wound,
Swung her to earth, and dragg'd her on the ground. *Addis.*

SWY. *adj.* [Properly *fib*, yib, Saxon.] Related by blood. The
Scottish dialect still retains it.

If what my grandfater to me said be true,
Siker I am very *fyb* to you. *Spenser's Pastoral.*

SYCAMINE. *n. f.* A tree.
SYCAMORE. *n. f.* *Sycamore* is our *acer majus*, one of the kinds of maples: it
is a quick grower. *Mortimer's Husbandry.*

Under the grove of *sycamore*
I saw your son. *Shakespeare. Romeo and Juliet.*

If ye had faith as a grain of mustard-seed, ye might say
unto this *sycamine*-tree, be thou plucked up, and it should
obey you. *Lu. xvii. 6.*

I was no prophet, but an herdman, and a gatherer of *syc-*
amore fruit. *Amos viii. 14.*

Go to yonder *sycamore*-tree, and hide your bottle of drink
under its hollow root. *Wallen's Angler.*

Sycamores with eglantine were spread;
A hedge about the sides, a covering over head. *Dryden.*

SYCOPHANT. *n. f.* [συκοφαντης; *sycophantia*, Latin.] A flatter-
er; a parasite.

Accusing *sycophants*, of all men, did best fort to his na-
ture; but therefore not seeming *sycophants*, because of no evil
they said, they could bring any new or doubtful thing unto
him, but such as already he had been apt to determine; so as
they came but as proofs of his wisdom, fearful and more fe-
cure, while the fear he had figur'd in his mind had any possi-
bility of event. *2*

S Y L

Men know themselves void of those qualities which the
impudent *sycophant*, at the same time, both ascribes to them,
and in his sleeve laughs at them for believing. *South.*

TO SYCOPHANT. *v. n.* [συκοφαντω; from the noun.] To
play the *sycophant*. A low bad word.

His *sycophanting* arts being detected, that game is not to be
played the second time; whereas a man of clear reputation,
though his barque be split, has something left towards setting
up again. *Government of the Tongue.*

SYCOPHANTICK. *adj.* [from *sycophant*.] Flattering; parasiti-
cal.

TO SYCOPHANTISE. *v. n.* [συκοφαντω; from *sycophant*.] To
play the flatterer. *Diast.*

SYLLABICAL. *adj.* [from *syllable*.] Relating to syllables; con-
sisting of syllables.

SYLLABICALLY. *adv.* [from *syllabical*.] In a syllabical manner.

SYLLABICK. *adj.* [syllabique, French; from *syllable*.] Relating
to syllables.

SYLLABLE. *n. f.* [συλλαβή; *syllaba*, French.]

1. As much of a word as is uttered by the help of one vowel, or
one articulation.

I heard
Each syllable that breath made up between them. *Shakespeare.*
There is that property in all letters of aptness to be con-
joined in syllables and words, through the voluble motions of
the organs from one stop or figure to another, that they modify
and discriminate the voice without appearing to disconti-
nue it. *Holder's Elements of Speech.*

2. Any thing proverbially concise.
Abraham, Job, and the rest that lived before any syllable of
the law of God was written, did they not sin as much as we
do in every action not commanded? *Hooker.*

To-morrow, and to-morrow, and to-morrow,
Creeps in this petty pace from day to day,
To the last syllable of recorded time;

And all our yesterday have lighted fools
The way to dusty death. *Shakespeare. Macbeth.*

He hath told so many melancholy stories, without one syl-
lable of truth, that he hath blunted the edge of my fears. *Swift.*

TO SYLLABLE. *v. a.* [from the noun.] To utter; to pro-
nounce; to articulate. Not in use.

Airy tongues that syllable mens names
On sands and shores, and desert wildernesses. *Milton.*

SYLLABUS. *n. f.* [Rightly SYLLABUS, which see.] Milk and
acids.

No syllabab made at the milking pail,
But what are compos'd of a pot of good ale. *Beaumont.*

Two lines would express all they say in two pages: 'tis
nothing but whipt syllabab and froth, without any solidity.

SYLLABUS. *n. f.* [συλλαβή; *syllaba*, French.] An abstract; a compendium
containing the heads of a discourse.

SYLLOGISM. *n. f.* [συλλογισμός; *syllogisme*, French.] An
argument compos'd of three propositions: as, every man thinks;
Peter is a man, therefore *Peter* thinks.

Unto them a piece of rhetoric is a sufficient argument of
logic, an apologue of *Aesop* beyond a syllogism in Barbara.

What a miraculous thing should we count it, if the flint
and the steel, instead of a few sparks, should chance to knock
out definitions and syllogisms? *Bentley.*

SYLLOGISTICALLY. *adv.* [συλλογιστικώς; from *syllogism*.] Re-
lating to a syllogism; consisting of a syllogism.

Though we suppose subject and predicate, and copula, and
propositions and syllogistical connexions in their reasoning,
there is no such matter; but the intire business is at the same
moment present with them, without deducing one thing from
another. *Hale's Origin of Mankind.*

Though the terms of propositions may be complex, yet
where the composition of the whole argument is thus plain,
simple, and regular, it is properly called a simple syllogism.
Since the complexion does not belong to the syllogistical form of
it.

SYLLOGISTICALLY. *adv.* [from *syllogistical*.] In the form of
a syllogism.

A man knows first, and then he is able to prove syllogisti-
cally; so that syllogism comes after knowledge, when a man
has no need of it. *Locke.*

TO SYLLOGIZE. *v. n.* [syllagize, French; συλλογιζω.] To
reason by syllogism.

Logic is, in effect, an art of syllogizing. *Baker.*
Men have endeavour'd to transform logic into a kind of
mechanism, and to teach boys to syllogize, or frame arguments
and refute them, without real knowledge. *Watts.*

SYLVAN. *adj.* [Better *sylvan*.] Woody; shady; relating to
woods.

Cedar and pine, and fir and branching palm,
A sylvan scene! and as the ranks ascend,
Shade above shade, a woody theatre
Of stateliest view. *Milton's Paradise Lost.*

S Y M

Eternal greens the mossy margin grace,
Watch'd by the sylvan genius of the place. *Pope.*

SYLVAN. *n. f.* [sylvain, French.] A wood-god, or satyr.

When the sun begins to fling
His flaming beams, me, goddess, bring
To arch'd walks of twilight groves,
And shadows brown, that sylvan loves,
Of pine or monumental oak. *Milton.*

Her private orchards wall'd on ev'ry side;
To lawless sylvans all access deny'd. *Pope.*

SYMBOL. *n. f.* [symbole, French; σύμβολον; *symbolum*,
Latin.]

1. An abstract; a compendium; a comprehensive form.
Beginning with the symbol of our faith, upon that the au-
thor of the gloss enquires into the nature of faith. *Baker.*

2. A type; that which comprehends in its figure a representation
of something else.

Salt, as incorruptible, was the symbol of friendship; which,
if it casually fell, was accounted ominous, and their amity of
no duration. *Brown's Vulgar Errors.*

Words are the signs and symbols of things; and as, in ac-
counts, ciphers and figures pass for real sums, so words and
names pass for things themselves. *South's Sermons.*

The heathens made choice of these lights as apt symbols of
eternity, because, contrary to all sublunary beings, though
they seem to perish every night, they renew themselves every
morning. *Addison on ancient Medals.*

SYMBOLICAL. *adj.* [symbolique, French; συμβολικός; from
symbol.] Representative; typical; expressing by signs.

By this incroachment idolatry first crept in, men convert-
ing the symbolical use of idols into their proper worship, and
receiving the representation of things unto them as the sub-
stance and thing itself. *Brown.*

The sacrament is a representation of Christ's death, by such
symbolical actions as himself appointed. *Taylor.*

SYMBOLICALLY. *adv.* [from *symbolical*.] Typically; by re-
presentation.

This distinction of animals was hieroglyphical, in the in-
ward sense implying an abstinence from certain vices, symboli-
cally intimated from the nature of those animals. *Brown.*

It symbolically teaches our duty, and promotes charity by a
real signature and a sensible sermon. *Taylor.*

SYMBOLIZATION. *n. f.* [from *symbolize*.] The act of symbo-
lizing; representation; resemblance.

The hieroglyphical symbols of Scripture, excellently in-
tended in the species of things sacrificed in the dreams of Pha-
raoh, are oftentimes rack'd beyond their symbolizations.

TO SYMBOLIZE. *v. n.* [symboliser, French; from *symbol*.] To
have something in common with another by representative
qualities.

Our king finding himself to symbolize in many things with
that king of the Hebrews, honoured him with the title of
this foundation. *Bacon.*

The pleasing of colour symbolizeth with the pleasing of any
single tone to the ear; but the pleasing of order doth symbolize
with harmony. *Bacon's Natural History.*

Aristotle and the schools have taught, that air and water,
being symbolizing elements, in the quality of moisture, are
easily transmutable into one another. *Boyle.*

They both symbolize in this, that they love to look upon
themselves through multiplying glasses. *Hewel.*

I affectedly symbolized in careless mirth and freedom with
the libertines, to circumvent libertinism. *Mora.*

The soul is such, that it strangely symbolizes with the thing
it mightily desires. *South's Sermons.*

TO SYMBOLIZE. *v. a.* To make representative of some-
thing.

Some symbolize the same from the mystery of its colours.

SYMMETRIAN. *n. f.* [from *symmetry*.] One eminently stu-
dious of proportion.

His face was a thought longer than the exact symmetrians
would allow. *Sidney.*

SYMMETRICAL. *adj.* [from *symmetry*.] Proportionate; having
parts well adapted to each other.

SYMMETRIST. *n. f.* [from *symmetry*.] One very studious or
oblivious of proportion.

Some exact symmetrists have been blamed for being too true.

SYMMETRY. *n. f.* [symmetria, French; *συν* and *μετρον*.]
Adaptation of parts to each other; proportion; harmony;
agreement of one part to another.

She by whose lines proportion should be
Exam'd, measure of all symmetry;
Whom had that ancient seen, who thought souls made
Of harmony, he would at next have said
That harmony was she. *Denne.*

And in the symmetry of her parts is found
A pow'r, like that of harmony in sound. *Waller.*
